What is CVS On-Line?

- CVS ON-LINE is a web-based system that allows authorized contacts for organizations (Licensing Authorities, Residency Programs, Employers) and international medical graduates to request verification of ECFMG certification status, 24 hours/day, 7 days/week.

Why Verify With ECFMG?

- Satisfies The Joint Commission requirement
- Our Status Reports provide information as codified 42CFR413.86(h) and these requirements are primary source as to whether an IMG is ECFMG certified (ii) or has passed the requisite exam(s).
- No charge for GME programs

How to Verify the Authenticity of this Report:

This report was issued to the named recipient on the date shown below. To verify the authenticity of this report, visit www.ecfmg.com/verify-status-report and enter the unique verification code at the bottom of the report. The information contained in this report is current as of the issue date. Any changes to the physician's status after the issue date will not be reflected, and you are encouraged to request an updated report.

The purpose of this Status Report is to indicate whether this individual is certified by ECFMG. It reflects only examinations that were used to fulfill requirements for ECFMG Certification. The most recent passing performance on the clinical skills examination is reflected, regardless of the individual's status regarding the clinical skills examination for ECFMG Certification. This Status Report is not a complete score history of all examinations for this individual. This Status Report does not include examinations which were taken but not passed. Furthermore, if this individual passed examinations that were not used to fulfill the requirements for ECFMG Certification, these examinations are not included.

*To obtain a complete history of USMLE Step examination(s) that may have been taken by this individual, contact the appropriate registration entity to request a USMLE transcript.

†Since July 1990, ECFMG has verified medical school credentials directly with the medical schools or through a reasonable alternative, which has been approved by the ECFMG Medical Education Credentials Committee.

Important Note:

Requesting organizations must normally secure and retain the physician's signed authorization to obtain certification information. Organizations may not read this information or make it available to any party beyond the initial request authorized by the physician. The information may only be used to confirm ECFMG certification for the purpose for which the physician provided authorization.

ECFMG® is an organization committed to promoting excellence in international medical education.

VERIFICATION REPORT

Clinical Skills Assessment is Valid Through:

Valid Indefinitely	before the implementation of USMLE Step 2 Clinical Skills (Step 2 CS) on June 14, 2004 will not be required to revalidate expired CSA dates before entering GME. These individuals may enter GME regardless of the length of time that has passed between their passing performance on the CSA and their program start date. If the physician's most recent passing performance on CSA was prior to June 14, 2001 and the physician entered an ACGME-accredited residency program on or before the CSA valid through date, the CSA is no longer subject to expiration and the physician may request permanent validation of the CSA. Otherwise, the physician must revalidate the CSA by passing USMLE Step 2 CS before entering GME.
