

**DOCUMENTATION CHECKLIST FOR
CONTINUATION OF ECFMG SPONSORSHIP IN AN ACGME-ACCREDITED CLINICAL TRAINING PROGRAM**

This checklist outlines the basic documentation and fee required to apply for continued ECFMG sponsorship to participate in a clinical training program accredited by the Accreditation Council for Graduate Medical Education (ACGME) and/or leading to certification by an American Board of Medical Specialties (ABMS) member board. ECFMG reserves the right to request the original documents and/or additional documentation. Submission of a complete on-line application requires close coordination between each applicant and the Training Program Liaison (TPL) at the teaching hospital.

ECFMG reserves four to six weeks from the time all required documentation is received for review and processing. Any deficiencies and/or requests for additional documentation will be communicated directly by ECFMG to the TPL. It is recommended that applicants and/or TPLs retain a copy of all uploaded materials.

STEPS IN THE APPLICATION PROCESS

The application process requires completion of the following steps in the order that they are listed:

1. Through EVNet, TPL submits an on-line appointment profile
2. Through EVNet, TPL uploads the necessary supporting documents for each applicant (Exception: Statement of Need (SoN) must be an original; see below for details)
3. Through OASIS, applicant accepts on-line appointment profile, pays the \$325 administrative/application fee, completes the electronic application and uploads any documentation (not already submitted by the TPL) needed to complete the application
4. By mail or courier service, Ministry of Health official or applicant submits original Statement of Need (see below for details)

NOTE: All uploaded documents must be in PDF format and must be uploaded one document at a time.

**DOCUMENTATION REQUIRED OF ALL APPLICANTS FOR CONTINUED SPONSORSHIP
(ACGME-ACCREDITED PROGRAMS)**

- **CONTRACT OR LETTER OF OFFER**
The contract or letter of offer must specify start and end dates of the training year, specialty and subspecialty of the training program/pathway, training level, and stipend, and must be signed by both the applicant and an appropriate hospital official.
- **FORM I-644, SUPPLEMENTARY STATEMENT FOR GRADUATE MEDICAL TRAINEES**
The applicant must complete and sign Part 1; the program director or director of graduate medical education of the *most recent* (not proposed) host program must complete and sign Part 2 of the form. <http://www.ecfm.org/evsp/i-644form.pdf>
- **FORM I-94 (ARRIVAL/DEPARTURE RECORD)**
A photocopy of the applicant's most recent Form I-94 documenting admission to the United States in J-1 status valid for "Duration of Status – D/S" must be submitted to ECFMG. Copies of electronically issued Form I-94 can be downloaded at www.cbp.gov/I94. Note that Form I-94 also may be attached to Form I-797, Notice of Action, issued by the U.S. Department of Homeland Security.
- **TRAINING PROGRAM DESCRIPTION (if entering subspecialty training)**

The training program description must follow the guidelines description, available on the EVSP website at <http://www.ecfm.org/evsp/evspgfpd.pdf>. If the program duration exceeds 12 months, please define the training activities for each year.

ADDITIONAL DOCUMENTATION (required if applicable)

- **STATEMENT OF NEED**

A new/updated Statement of Need (SoN) is required to apply for sponsorship continuation if *any* of the following apply:

- The applicant is proposing to enter a new subspecialty.
- The letter on file with EVSP will expire prior to or during the proposed training period.
- The letter on file with EVSP is institution-specific and a change in host institution is proposed.

If any of the above criteria apply, ECFMG must receive the **original, official SoN issued by the Ministry of Health**. To be accepted by ECFMG, the original SoN must be received in the original, sealed envelope of the Ministry of Health. In addition, the Ministry of Health official issuing the letter must place it in a Ministry of Health envelope and stamp the outside flap with the issuing government seal. The document should be forwarded directly to ECFMG; if the sealed envelope is opened, ECFMG will not accept the SoN. **Electronic or scanned copies of the SoN will not be accepted by ECFMG.**

Sealed Ministry of Health envelopes may either be mailed directly to ECFMG by the Ministry of Health OR the applicant may place the sealed envelope containing the SoN in an air courier envelope and send to: EVSP/ECFMG 3624 Market Street, Philadelphia, PA 19104 USA.

Additionally, the SoN must:

- Be issued by the federal/central office of the applicant's country of **most recent legal permanent residence; uploaded copies, scanned, or electronic versions will NOT be accepted by ECFMG**
- Be issued on official Ministry of Health letterhead and addressed to ECFMG
- *Exactly* follow prescribed wording outlined in the U.S. Code of Federal Regulations (CFR) §62.27
- Align with the training specialty/subspecialty being pursued
- Contain the official stamp or seal of the issuing government *and* dated signature of issuing official
- Be issued in English; if not issued in English, a certified word-for-word English translation is required (again, please note that the SoN and any translation must follow regulatory prescribed language)

See the EVSP website at <http://www.ecfm.org/evsp/snletter.htm> for additional information on required SoN format and wording. It is important to note that the source country for the SoN cannot be changed once an applicant acquires J-1 status. Any/all subsequent statements of need must be issued from the same source country.

Any SoN that does not meet *all* of the above-specified requirements will not be accepted by ECFMG.

- **OFFICIAL DOCUMENTATION OF FUNDING SOURCE**

Required if source of funding is other than, or in addition to, the salary provided by the teaching hospital where the training will take place. Funding documentation must include confirmation from the official source of the terms and conditions, dates, and amount in U.S. dollars.

- **EVIDENCE OF FAMILY RELATIONSHIP (Marriage/Birth/Adoption Certificate)**

Required if requesting J-2 dependent sponsorship for a spouse and/or an unmarried minor child. If not in English, the certificate(s) must include a certified, word-for-word English translation(s).

- **RETURN AIRBILL FOR EXPEDITED DELIVERY TO THE TPL (optional, but recommended)**

If the application is approved, ECFMG will issue Form DS-2019, *Certificate of Eligibility for Exchange Visitor (J-1) Visa Status*, to the TPL via first-class U.S. mail. ECFMG is not authorized to release the Form DS-2019 directly to the applicant. To expedite delivery, it is recommended that a *prepaid/preaddressed courier service airbill* be printed from an on-line source and uploaded with all other required documentation. Time constraints typically prevent EVSP staff from addressing airbills.

- **EXCEPTIONAL EXTENSION BEYOND THE MAXIMUM DURATION REQUEST DOCUMENTATION.**

Additional documentation and fee are required if the proposed training program will necessitate an extension of the applicant's sponsorship beyond seven years (the regulatory maximum duration of ECFMG-sponsored clinical training). Such an extension must be reviewed and authorized by the U.S. Department of State (DoS). Detailed information and documentation requirements for applicants seeking exceptional extensions beyond the maximum duration are available on the EVSP website at <http://www.ecfm.org/evsp/evspeememo.pdf>.
